Why CUSTOMERS in 5 CONTINENTS choose BIZOL to IMPROVE their PERSONAL SAFETY

Dear Customer,

15 years ago, I created in Germany the BIZOL brand with the aim to “improve your **personal safety**”.

- ✓ BIZOL Green Oil provides you with **financial safety** by reducing **maintenance costs**, reducing repair costs and increasing the lifetime of your car or vehicle.
- ✓ By choosing BIZOL German quality products you are reducing the amount of **spare parts, fuel and motor oil** that your vehicle needs: **a way to save resources**.
- ✓ With BIZOL Green Oil you can improve your feeling of **emotional safety**. Our products are made according to high reliable **quality standards**. By choosing BIZOL you have made the best choice and have **one thing less to worry about** your car or vehicle.

If you would like additional information about our products, please contact our Business Partner or visit: www.bizol.com

Thank you for choosing BIZOL.

B. Tatievski

BIZOL Green Oils 100% GERMAN QUALITY

AGAINST MOTOR STRESS

Green Oils

ENGINEERED in GERMANY to PROTECT MOTORS in STOP & GO TRAFFIC

International research has shown that **42% of city drivers*** experience increased levels of **stress**. Also your motor is subject to stress and your motor oil ages more quickly in city traffic. **Motor stress can be cured with high quality motor oil.**

Research* in Germany has shown that **one out of every four cars** on the road operates with motor oil which is **not protecting the motor**. Most motors have been designed for highway drive when the motor temperature remains steady. Internal motor parts are generally well protected because of higher motor oil pressure.

Instead, in city traffic you are constantly accelerating and decelerating, reducing oil pressure and **causing the internal motor parts** and the motor oil to **wear down more quickly**, thus increasing the chance of **motor failure**.

* MOTORcheckUP 2011

Green Oils

MAINTAINS the DRIVER'S SAFETY TECHNICALLY, FINANCIALLY and EMOTIONALLY

BIZOL Green Oil's innovative **additive package combats motor oil degradation** and **viscosity breakdown** which can occur while motors are idle in city traffic.

Green Oils

MAXIMUM PROTECTION in CITY TRAFFIC

Results of a BIZOL 2011 commissioned laboratory study in Germany show that BIZOL Green Oil has a **low wear index** meaning that it has **high motor protection** properties.

HC-SYNTHESIS

BIZOL Green Oil Ultrasynth 5W-30

This HC Synthesis low friction oil **enhances safety** by protecting motors all year around in **city traffic conditions**.

1L | Art. 1050/91050
4L | Art. 1056/91056

Classifications and Specifications

HOW BIZOL GREEN OIL PROTECTS YOUR MOTOR in CITY TRAFFIC

When operating in **stop and go traffic** motor oils **become diluted with fuel particles** (up to 20%). The protective layer of the motor oil **breaks down** increasing **motor wear** and the **probability of motor failure**.
